A Gift for Jesus

Advent is a time when we prepare for the coming of our King and Saviour; we put up lights outside, decorate our tree and house, we buy gifts for our loved ones and friends to put under the Christmas tree. These are beautiful undertakings. But should we not also prepare ourselves spiritually and personally in anticipation of Jesus's birth? One way we can do this is by spending time with Jesus in the chapel of Adoration and perhaps committing ourselves to just one hour each week during Advent, just 4 weeks, a sort of mini retreat. Or perhaps we can help during the Christmas period by replacing one of the regular Adorers who will be out of town visiting family. There are lists of open hours at the back of the church and in the chapel where you can enter your name and telephone number. What better birthday gift for our Lord! For more information, please contact Joanna at 514-791-8291.

Training Session for Extraordinary Ministers of Holy Communion

In preparation for the Christmas Liturgies, we will be holding a short training session on Friday, December 15 for all Extraordinary Ministers of Holy Communion. The session will start at 7:00 pm in the rectory and begin with a period of reflection, followed by training. As Eucharistic Ministers are an important ministry within the parish service organization, we are asking that all current Eucharistic Ministers attend. If you wish to become a Eucharistic Minister please attend. This training session is also intended for those Ministers who serve Holy Communion to the Sick and Homebound.

Call for Nominations for New Wardens

Steven Hartley and Wayne Spooner are finishing their three-year term as church wardens this December. We are most grateful to these wardens for the service and guidance given to St. John Fisher Parish. Nominations will be accepted during the Weekend Masses this weekend. In order to qualify, nominees must be proposed by a parishioner and seconded by two other parishioners. Election by ballot will take place next weekend, Dec 16/17 during the Weekend Masses.

Note: To be eligible for church warden, a person must be at least 18 years of age, active in the parish, possess professional skills or administrative work experience and have a good reputation as a Catholic. He / She must be living within the civil boundaries of the parish. A church warden is an administrator of the material goods and property intended for the religious benefit of the parishioners. We encourage any eligible parishioner to stand for nomination as a way to engage and enrich our spiritual community through the contribution of your talents and time. As a steward of the church, your role is critical to the future success of our beloved St John Fisher Parish!
